Professional
Experience: Jones, Henle & Schunck, 1985 to present

- Provide tax resource services to diverse client base. This includes individual and trust research and compliance, but primary focus is in corporate and partnership planning areas. Examples of this include acquisitions and reorganizations, incorporation, dissolution and distribution planning, analysis of optimal business form, tax accounting methods, year-end and attribute utilization. Clients include consolidated multi-state corporations, S-corporations, limited liability companies, personal service corporations and privately held controlled group of flow-through entities.

- Provide representation of clients under examination by taxing authorities.

- Coordinate mentor program, tax training within firm.

Price Waterhouse - 1976 to 1985

- Staff accountant from 1976 to 1981, auditing a variety of small business and non-profit entities out of the Oakland and San Francisco offices.

- Tax staff and manager from 1981 to 1983 in the London, England office working with expatriate clients and their unique filing requirements and equalization packages.

- Tax manager from 1983 to 1985 in the Oakland and Walnut Creek offices, responsible for tax planning and compliance issues for variety of public and private business clients.
